

WESTWIND FLOWER FARM

WEDDINGS

à la carte

We create one-of-a-kind floral arrangements inspired by the seasons. Our studio is bordered by overflowing flower fields, and much of the material used in our designs is custom-grown for our events. We specialize in cultivating heirloom, old-fashioned, and uncommon flower varieties prized for their fragrance and ephemeral qualities.

Our à la carte wedding package is perfect for couples who love Westwind Flower Farm's signature fresh-from-the-garden style but don't require large arrangements or on-site set up. This option is ideal for clients who only need personal flowers, centerpieces, and a few focal arrangements. Simply choose the size and quantity of your personal flowers and centerpieces, and describe your color palette. Leave the rest to us!

Our à la carte option is not well-suited for couples who want very specific flower types, require an in-person consultation or have more complex event design needs.

We understand how stressful planning your wedding can be. With so many choices, so much conflicting advice, and so little transparency when it comes to the actual costs of things, planning your wedding can quickly go from exciting to downright overwhelming.

We've streamlined the process of selecting your wedding flowers by offering a limited range of lush, garden-style arrangements made from locally grown blooms, so choosing is easy. We arrange your flowers using the best of what's growing the week of your wedding in your desired color palette. Our pricing is transparent, so you have the ability to create your own custom flower package while staying within budget.

Orders are available for pickup during set times at our farm in Montgomery, Ohio. Delivery is available for an additional fee. Please note that à la carte weddings require a minimum \$1,000 order.

On the following pages, you'll find everything you need to get started. Please don't hesitate to reach out if you have any questions. We look forward to working with you!
